

Annotated Philatelic Bibliography of the Spanish-Philippines:

Part 3, Journals and Periodicals

(PSCS) Philatelic Bulletin.

The **Philatelic Bulletin** was first published in 2025 by the Philippine Stamp Collectors' Society (PSCS) to fill the void of similar bulletins that were no longer produced by the Philippine Postal Corporation. The **Philatelic Bulletin** recorded details of new issues and first day covers. There are three types of bulletins: the first type is an electronic document bulletins for each issue with individual numbers and the second one is an electronic document compilation for the first half of 2025 (although the formats are different the content is essentially the same). The third format was complete compilation for 2025 and was only available for purchase in hard copy format

The bulletins were created by Jasmine Gosforth.
